

Richard Bulpitt Elementary School

Welcome to the start of a new school year! In order to maintain good communication between the PAC, your child's teacher and the parents of each class we would like to put together a class contact list. This list enables us to provide parents with vital information about school events and give parents the ability to make further arrangements for their child regarding field trips, play dates, birthdays and other occasions.

Please fill out the bottom half of this page and return it to your child's teacher.

A class list will be made from the parents who give their consent to have their information added. If you choose not to give your information please check the appropriate box so that we are aware of your choice. However, please be advised that this is a fantastic communication tool as the classroom parent will be responsible for emailing you any relevant information that pertains to your son's /daughter's classroom.

As a result of this list each class needs a classroom parent liaison that will forward any information that the parents need to be aware of. This will need to be someone who is able to commit to sending out a class email whenever necessary as well as someone who can try to attend PAC meetings in order to better understand what events or fundraising opportunities are coming up at our school.

Should you be interested in the position of class liaison, please make a note of this along with your contact information. We would love to see more parents aware of the volunteer opportunities at the school and as a class liaison you can try to help us achieve that.

Sincerely,

Richard Bulpitt PAC Executive

Teacher Name/Div # _____

_____ I would like to be added to the class list

_____ I would prefer not to be added to the class list

Child's Name: _____

Parent/Guardian Name(s): _____
